SUMMARY

Frontend Developer skilled in HTML, CSS, JavaScript, and React, with experience building responsive web applications and real-world projects. Focused on creating clean, user-friendly interfaces and writing maintainable, scalable code.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React, Bootstrap

Tools: Git, GitHub, VS Code

Concepts: Responsive Design, UI/UX Principles, DOM Manipulation, REST APIs

PROJECTS

Movie Watchlist App (React, JavaScript, REST API)

- Built a React application to search and manage movies using the OMDb API
- Developed custom hooks to separate data fetching and state management
- Implemented debounced search to optimize API requests and performance
- Managed state for filtering, ratings, and watch status
- Persisted user data using localStorage with error handling
- Live: <https://movie-watchlist-app-opal-one.vercel.app/>

Crypto Price Tracker (React, JavaScript, REST API)

- Built a cryptocurrency tracking application using the CoinGecko API
- Implemented multi-step data fetching to retrieve detailed coin information
- Created reusable custom hooks and debounced input handling
- Managed loading, error, and empty states for improved user experience
- Designed responsive UI to display dynamic financial data
- Live: <https://crypto-price-tracker-kappa-rose.vercel.app/>

EXPERIENCE

Frontend Developer — Kweens Trucking LLC

March 2025 – April 2025

- Developed a responsive company website based on client requirements
- Implemented interactive features using JavaScript
- Collaborated with client to refine design and functionality

Frontend Developer — Second Run Logistics LLC

Aug 2023 – Sept 2025

- Led development of a business website from concept to deployment
- Built a user-friendly interface focused on usability and accessibility
- Worked with stakeholders to implement features and improvements

EDUCATION

B.S. Computer Science — Web/Mobile Development & Software Engineering

University of North Carolina at Charlotte

Dean's List • S-STEM Scholars Scholarship

CERTIFICATIONS

Responsive Web Design — FreeCodeCamp

JavaScript Algorithms and Data Structures — FreeCodeCamp

Frontend Development Libraries — FreeCodeCamp
